The annual benefits open enrollment period is here, giving you the opportunity to review and make changes to your health and welfare benefit elections for 2021. Open enrollment is a great time to assess your existing benefit plans, learn more about your benefit options, evaluate any anticipated needs and make adjustments for the upcoming year.

# Open Enrollment is November 11–25, 2020

## 2021 Benefit Plan Decisions and Changes

Changes in higher education continue to have a rippling effect on the industry and Creighton University. That being said, we took the shifting impact of these challenges and realities into consideration when reviewing our benefit offerings for 2021 and beyond.

Through extensive analysis, reflection and discernment, we aimed to ensure the changes made to the benefits packages were driven by balancing our care for you and our care for Creighton.

We specifically used market data to help drive our decisions so that our path forward would align with Creighton's deeply rooted educational mission of stewardship.

The total value of our overall benefits program and offerings is strong, but as the world changes, our benefits needed to adjust as well.

This resulted in the premium and wellness credit portion of our medical plan having a new design in the year ahead.

### **We will introduce a working spouse surcharge in this year's medical plan.**

As an important point of reference, this only applies to the medical plan. Employee's dental, vision and other plans and offerings are unaffected by this surcharge. Additionally, this surcharge only applies to working spouses.

This means any employee's spouse who can enroll in their employer's benefits but choose to have coverage through Creighton will be assessed the surcharge. This surcharge does not apply if any employee's spouse is not currently working or cannot receive benefits from their current employer.

As has been our practice for some time now, we will continue to partner with ADP Benefits to manage this process. For 2021 this will include completing the Spousal Affidavit form and submitting it to the Benefits Department.

### **We will be phasing out wellness credits in the next two years.**

In alignment with evolving workplace best practices and market changes, the wellness credits will come to an end in 2022.

We hope all employees will strive to be the best and healthiest version of themselves without the incentive of credits, but rather through their informed personal choices and leveraging our extensive health benefits.

### **We will be phasing out the Creighton contribution to the HSA for employees participating in our high-deductible CCAP medical plan.**

This year, Creighton will reduce the credit it provides employee's coverage by 50% and eliminate the credit in 2022. We strongly encourage employees to leverage their available tax-free saving account options to proactively budget and save for qualified medical expenses.

# What do I need to do?

- Attend the Virtual Benefits and Wellness Forum and review the Open Enrollment website at [hr.creighton.edu](http://hr.creighton.edu). This is your opportunity to learn about Creighton's Benefits and changes for 2021.
- Some 2020 plan elections—like medical, dental and vision—will roll over automatically. If you want to change plans or need to change the dependents who are covered under your plan, now is the time!\*
- Answer the Working Spouse Questionnaire in ADP and complete and submit the Spousal Affidavit to the Benefits Department via BlueQ.
- Flex Spending Accounts (FSA) do not roll over, so if you want money in a health, dependent care (for child care), or limited purpose (for CCAP participant's dental and vision expenses) FSA in 2021, you MUST make an election now. 2021 limits are \$2,750 for the Medical and Limited Purpose FSAs. \$5,000 is the limit for the Dependent Care FSA. [See pg. 15](#).
- Those who enroll in the CCAP plan and completed the Virgin Pulse Health Check will earn an employer contribution of \$250 for employee only and \$375 for family coverage (to be processed with your January 2021 payroll).
- If you contributed to an HSA in 2020, your elections will roll over. If you want to change or increase what goes into your HSA in 2021, log on to enter the new amount.
  - Don't forget to deduct the Creighton contribution (\$250/\$375) from your total annual election if you completed the Health Check from Virgin Pulse.

[See the chart on pg. 15 \(2021 HSA Contributions for CCAP Participants\)](#).
- Those who elect to participate in the CCAP plans can now set aside more money into their Health Savings Account (HSA).
  - Employee Only Coverage can set aside \$3,600
  - Family Coverage can set aside \$7,200
- Review your beneficiaries. Having both a primary (e.g., a spouse) and contingent beneficiary is best. Besides life insurance, check to make sure your retirement plan designations are also up to date at Principal and/or TIAA.
- If you need a will or trust, consider signing up for MetLaw. [See pg. 25](#) for a list of covered services and plan information.
- Review your retirement account to make sure you are track for meeting your retirement savings goals.
- Review your first 2021 pay stub in January to ensure your benefit elections are correct and confirm the correct premiums are being withheld.

\*ADP Dependent Verification Service Center – All newly added family members will be asked to submit documentation as part of the University's dependent verification process. In the weeks following Open Enrollment, requests for verification will be mailed from the Dependent Verification Center and will include instructions detailing the required documents and your options for submitting them. The documents verifying your relationship must be submitted by the deadline shown in the letter to ensure your dependent's continued coverage.

## Things to Know

### What does UnitedHealthcare do?

Our plan is self-insured, which means UnitedHealthcare administers the payment of claims according to our medical plan benefits. They negotiate rates with hospitals and doctors on your behalf and offer a variety of wellness benefits and resources, while Creighton and you pay the bills.

### What comes out of my pay?

#### Annual Premium

The annual cost to purchase medical coverage is spread across the year, so you pay a portion of it each pay period. Annual premiums differ based upon the plan you elect and the number of dependents you cover. Your premium will also be based on whether or not you completed the Health Survey through Virgin Pulse.

### What will I pay when I begin receiving medical care?

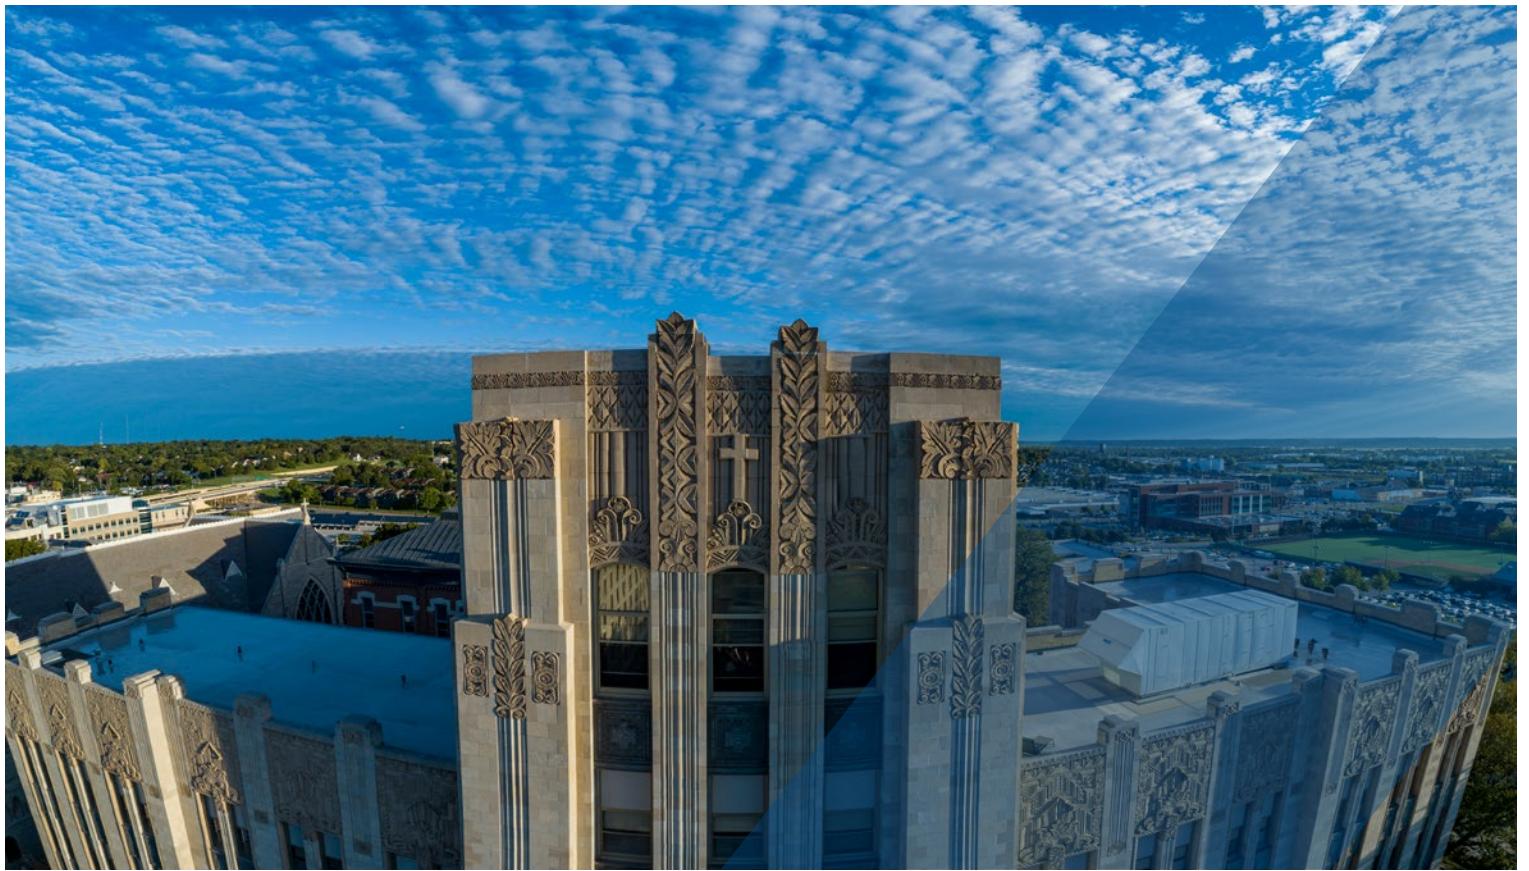

#### Annual Deductible

You won't pay for in-network preventive care covered under health care reform, such as your annual wellness visit. Generally, for all other covered care, including visits to the doctor, you'll pay the amount of your annual deductible before the plan starts to pay.

### What's the most I'd have to pay out of my own pocket?

#### Out-of-Pocket Maximum

This is the most you'd pay for covered medical services in a calendar year. Think of it as your financial safety net. Once you meet it, the plan pays the full cost of additional covered care.

## Working Spouse Surcharge and Affidavit

Effective January 1, 2021, employees' spouses who have access to affordable health care that meets the Affordable Care Act (ACA) minimum guidelines through another employer will be subject to a \$120 monthly surcharge if they choose to have their spouse remain on the Creighton medical plan. The surcharge will be added to the premiums amounts owed upon enrollment to the Plan. This eligibility change will allow Creighton to maintain affordable coverage for its employees, spouses who have no other health coverage choice, and dependent children. For more information about the spousal surcharge, please see the Creighton website at [hr.creighton.edu/benefits](http://hr.creighton.edu/benefits).

### Things to consider:

**All employees enrolling a spouse in the medical plan with Creighton University for 2021 must complete the process below.**

If you answer yes to any of the questions below, please make sure your Spousal Affidavit is completed and submitted to the Benefits Department no later than Nov. 25. Failure to submit the form by the Nov. 25 deadline will automatically add the \$120 monthly surcharge to your medical premiums for 2021.

1. Is your spouse currently employed?
2. If your spouse is employed, is he/she eligible to receive medical insurance coverage offered by his/her employer?
3. If your spouse's employer offers medical insurance coverage and your spouse is eligible for that coverage, is your spouse enrolled in his/her medical plan?

### How do I complete the process?

- Starting Nov. 11, you can log on to the Employee Benefits System.
- Go to [my.creighton.edu/#/quicklaunch](http://my.creighton.edu/#/quicklaunch), click the Employee Benefits icon, enter your NetID and BLUE password for single sign-on access.
- Once in the system, choose the Annual Enrollment event and get started.
- Select the medical benefit icon, review the information and answer the question about your spouse and confirm your medical election.
- Review your other elections and confirm your entire Open Enrollment opportunity to save the changes and receive your confirmation.
- You will receive an email from the Benefits Department with instructions to complete the Spousal Affidavit and how to submit it back to the team.
- The Benefits Department will then review your medical election and answer to the question about your spouse from the Employee Benefits System, along with verifying your Spousal Affidavit is complete. Then they will finalize your enrollment for 2021.

A Health Savings Account (HSA) lets you make the most of your earnings by setting aside tax-free dollars for medical, dental and vision expenses. HSAs are individually owned and provide a triple-tax advantage. You can deposit money tax-free until you use it, and your withdrawals are tax-free when used on eligible expenses.

## Investing

We make it easy to invest by offering a low HSA investment threshold. Once your HSA reaches that amount, you're able to invest in interest-bearing accounts or mutual funds without ever leaving your online account. View your investment options at [DiscoveryBenefits.com/hsinvestments](#)

## Flexible Spending Account Overview

A Flexible Spending Account (FSA) allows you to budget and save for qualified medical expenses incurred over the course of your plan year. Dollars invested in an FSA are tax-free. That makes an FSA a great tool for saving money, especially when big expenses are anticipated.

## The Discovery Benefits Card

The Discovery Benefits Card helps make it easier for you to spend the money in your health care accounts. Use your card at qualified merchants where Visa is accepted, and where merchants can process health care cards. This includes doctor and dental offices, hospitals, pharmacies, and hearing and vision care centers. You can also use your card at some discount and grocery stores.

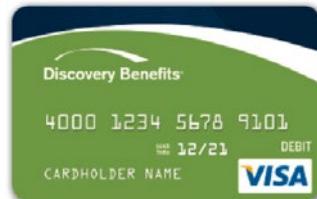

If you don't use your card to pay for an expense, you can pay for an eligible expense with cash, check or a personal credit card. You can then use features online or through the Discovery Benefits mobile app to pay yourself back.

Use the card to pay for eligible expenses allowed under your plan, which generally include:

- Deductibles, copays and coinsurance
- Prescriptions and certain over-the-counter (OTC) items (OTC items will need a written prescription from your doctor.)
- Dental and vision costs

*If the card is swiped at a merchant that meets the IRS' 90% rule, you may need to provide that documentation to show the expense is eligible. You can request additional debit cards for your spouse or dependents from your online account. Log in, under Accounts select "Banking/Cards."*

To view the list of common eligible expense items and to learn more, visit: [discoverybenefits.com/employees/eligible-expenses](#)

## How to log into your account

If you have an email address on file with Discovery Benefits:

1. Go to [discoverybenefits.com](#)
2. Click the Login button and select HSA, FSA, HRA and Commuter Login.
3. Select Create your new username and password and complete the steps to activate your account.

## Dependent Care Flexible Spending Account (DCFSA)

You can pay for eligible dependent care expenses with pretax dollars, including:

- Adult day care centers
- Babysitters and nannies
- Before-school and after-school programs
- Child day care
- Summer day camp

You can use this account for dependent care expenses incurred so you and your spouse can work, or so your spouse can attend school full time. If your spouse stays home full time, you are not eligible to participate.

### Who's eligible

Employees with children under age 13 and anyone who is a dependent under IRS rules, or is mentally or physically incapable of taking care of himself or herself.

### Actions you can take

Contribute up to \$5,000 per year to the account (or \$2,500 if you are married and filing separate tax returns).

To learn more, visit: [discoverbenefits.com](https://discoverbenefits.com)

## Tips for Flexible Spending Account (FSA) Elections:

- FSA elections must be made each year. The benefits system assumes no election, so if you want to contribute to an FSA, you must log into the system and enter an election dollar amount.

## Tips for CCAP/HSA Participants:

- If you contributed to a health savings account in 2020, that election will carry over in 2021 if you don't make a change.
- The IRS raised the limit for employee HSAs for 2021 to \$3,600/\$7,200. If you would like to contribute to this new limit, you will need to adjust your election to this limit; it is not automatic.
- As you are making your annual election for your HSA, please remember to include the \$250/\$375 contribution made by Creighton if you completed Virgin Pulse.

## HSA and Medicare

Employees over age 65 are eligible to open and contribute to an HSA as long as they are not enrolled in benefits under Medicare (Part A) and are covered by a qualified High Deductible Health Plan (HDHP). Once enrolled in Medicare, you are still eligible to be covered by the qualified HDHP, but you are no longer eligible for HSA contributions.

After the account holder turns 65 or enrolls in Medicare, the tax penalty for non-eligible expenses does not apply, so your HSA can be used to save for retirement and other non-medical expenses, but distributions are still treated as gross income for tax purposes.

# What are my dental plan options?

Excellent oral health means more than a pearly-white smile. It means regular dental check-ups and preventive care as well. Remember that you and your dependents can get two dental check-ups per calendar year.

## Which dental plan is right for me?

### Creighton Preventive

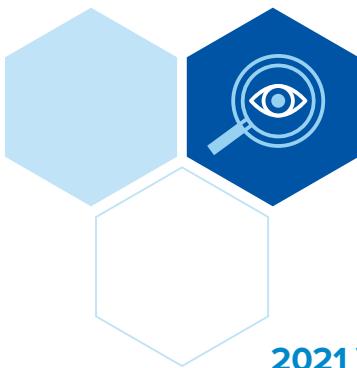

The Preventive dental plan offers the most basic care covering 100% of your cleanings. If a dental problem arises, while the plan won't pay, using a MetLife network provider will get you discounts on the services needed.

### Creighton Basic

The Basic dental plan offers coverage that works for the majority of participants. Included are your routine cleanings and exams, and help paying for the basic and major restorative procedures like fillings, extractions, crowns and bridges. This plan promotes good dental hygiene through preventive care, and helps cover dental services you may need at a low cost.

### Creighton Basic Plus Ortho

The Basic Plus Ortho dental plan offers the same comprehensive coverage as Basic, but also covers orthodontia. The lifetime orthodontia benefit is \$3,000/person.

## What are my vision plan options?

Vision exams are as important to your health as your dental cleanings or annual wellness exam with your physician. A comprehensive eye exam can help lead to early detection of diabetes or hypertension. That's why Creighton's vision coverage through VSP provides an eye exam annually along with other benefits to help ensure you see clearly.

# What are my life insurance options?

Some life insurance is provided automatically to you at no cost; other voluntary coverage is available for you to purchase based on the needs of you and your family.

Group Life and AD&D Insurance	Employee Voluntary Life and AD&D Insurance	Spouse Voluntary Life and AD&D Insurance	Dependent(s) Voluntary Life and AD&D Insurance

\*Guaranteed Issue Amounts apply to new hires or newly eligible employees. If you previously waived coverage, you may apply for coverage subject to underwriting review and requirements.

## Tips for Life Insurance:

- Life insurance coverage will carry over if you don't make any elections during open enrollment.
- Open enrollment is a good time to review your designated beneficiary(ies) for all your insurance and retirement benefits.
- During open enrollment, if you are currently enrolled in Voluntary Term Life and your election is below the guaranteed issue amount (\$150,000 for employee and \$50,000 for spouse coverage), you or your spouse can increase your coverage by

one level without underwriting. For example, if you currently have \$120,000 of Voluntary Term Life coverage, during Open Enrollment you can increase your coverage by \$10,000 to \$130,000. If your spouse has \$30,000 currently, you could increase their coverage \$5,000 to \$35,000.

- If you are electing additional life insurance for yourself or your spouse for the first time during open enrollment you will be required to provide Evidence of Insurability.

## How do I name a beneficiary?

Naming a beneficiary is an easy, straightforward process for you and the key people in your life, but it is important to follow the procedure correctly to avoid legal and financial problems.

### What is a beneficiary?

A beneficiary is the person or entity you name to receive death benefits, including:

- A charity
- Estate
- One person
- The trustee of a trust you've set up
- Two or more people

### There are two types of beneficiaries:

**Primary:** The primary beneficiary receives the proceeds when the insured person dies.

**Contingent:** Also known as the secondary beneficiary.

This beneficiary will only receive proceeds if the primary beneficiary has died.

### Review your checklist:

Now is the time to review your checklist of beneficiaries to ensure you have all of your benefits that require a designation covered.

- Group Term Life and AD&D Insurance
- Voluntary Term Life and AD&D Insurance
- 403b Retirement Plan: Principal/TIAA
- Health Savings Account (HSA)

Contact a member of the Benefits team if you have any questions: **402.280.2709**

## What are my disability insurance options?

Disabilities that occur during the first 12 months of coverage due to a condition that existed during the 3 months prior to coverage, are excluded.
Who pays for this benefit?	Employee is automatically enrolled and the premiums are based on the individual employee's salary. This is paid with after-tax dollars so you can decline at any time.	Employee is automatically enrolled and Creighton pays the cost of this benefit. You are unable to decline enrollment. When a claim is filed, the benefit received is taxable to the employee.	Employee elects to pay for this benefit after-tax through per-pay-period deductions. When a claim is filed, the benefit received is tax-free to the employee.

**\*Definition of First Day Confinement:**

If you are hospital confined due to the injury or sickness that caused your disability, the elimination period does not apply and benefits begin on the first day of confinement. If you receive outpatient surgery and we determine your recovery from that surgery requires you to be disabled for a minimum of

five calendar days, benefits begin on the day of the outpatient surgery. Hospital Confined means a medically necessary inpatient hospital stay of 24 consecutive hours or more for the purpose of receiving any type of medical service. Outpatient Surgery means a medically necessary surgical procedure performed on an outpatient basis in a medical facility or hospital.
